Learning Model Selection K-2

October 24, 2020

Hello Moore K-2 Families!

On Monday **October 26th**, all K-2 families will be given the **option** of remaining 100% digital (at home learning 5 days a week) **or** transitioning to a mix of in-person and digital remote learning for students (hybrid learning; 2 days at Moore and 3 days virtual learning at home).

The selection period begins on Monday, October 26 and ends at 5:00 pm on Friday, October 30.

Families will be told that they can make this selection in one of two ways:

1. Families with students in K-2 need to fill out a google form that will be sent via email and text on both **October 26th**, **October 28th** and again on **October 30th** OR;
2. If families are unable to access the form, families can call Moore and voice their choice to move to the hybrid model to one of our secretaries.

All teachers will communicate this with you as well to ensure all families respond to the survey.

If you do not respond, your child will automatically be opted into a 100% virtual option.

Again, all families of students in Kindergarten, 1st Grade, and 2nd Grade will need to fill out the form sent next week and choose one of these options:

1. YES; the student will attend in-person as part of the District's **hybrid learning plan** (2 days at Moore and 3 days virtual learning) OR
2. NO: the student will continue **all digital** (5 days a week virtual/at home learning)

We just wanted to give our families a heads up as to what is coming next week. Your child's teacher will communicate more information with you all next week. Please look out for the survey and make sure you complete it as soon as possible.

Mr. Glynn & Ms. Lord
