THE SCHOOL DISTRICT OF PHILADELPHIA

OFFICE OF CHIEF OPERATING OFFICER
440 North Broad Street, Suite 3161
Philadelphia, PA 19130

Teresa Fleming
Chief Operating Officer

November 1, 2026

Dear Moore Community,

We are writing to let you know that the roof of the annex modular building on your campus needs repair and will be temporarily closed. District leadership is working closely with Principal Glynn to minimize any disruption to learning and services, and a plan is in place for all students and staff to remain at Moore while the annex is closed.

Beginning Monday, Nov. 2, all second-grade classes and one first-grade class will be moved to the main and PEC buildings. Staff are moving furniture, teaching tools, and any necessary technology aides from the annex into temporary spaces. In some cases, third- and fourth-grade classes will combine to create space for the annex students. Student-to-teacher ratios will be 20:1 even in the combined classes.

The Operations team is evaluating options to address issues with the annex building, including water penetration via the roof and a plumbing issue below the building. Details on this plan and a timeline will be shared as soon as finalized.

We appreciate the school community's cooperation during this disruption and will share additional information as soon as we have a timeline for restoring the temporary classrooms.

Thank you for your patience and understanding while we work to maintain healthy learning spaces.

Teresa Fleming

Chief Operating Officer
